EXPERIENCE

Minnesota Judicial Branch, 6th District – 2013 - 2016

- Planned and implemented a district-wide iPad rollout with Court Administration. This included researching options, purchasing equipment, planning the rollout, and training court staff, administrators, and judges.
- Collaborated with CourtSmart and State IT to orchestrate the migration of court recordings from DVD's to the Court's SAN. This involved coordinating resources from State IT, technicians from CourtSmart, and implementing a schedule to reduce impact to court staff.
- Significantly upgraded, streamlined and standardized network infrastructure in Duluth by working with County IT and building maintenance. This included planning, purchasing, and installing \$8,000 in networking equipment.

IT Support Specialist, Algonquin College – 2005 - 2013

- Supported 500 PCs and 250 Macs (a third of the college's computers) on a day-to-day basis as part of a team of three.
- Deployed and maintained a mix of Windows, Mac and Linux servers, including web/DB servers, file shares, and Active Directory.
- Received "The Support Staff Team Award 2010" for outstanding service and support to the student body.
